A Good Math Teacher...

by Bob Hamada

A good math teacher, like

- Ford, has better ideas.
- Pan-Am, makes the going great.
- Bayer aspirin, works wonders.
- Pepsi, lights your path.
- Hallmark cards, cares enough to give the best.
- Coke, is the real thing.
- General Electric, has a lot to give.
- Tide, gets the stain out that others leave behind.
- VO-5 hair spray, holds through all kinds of weather.
- Ivory soap, is 100% pure.
- Cheerios, makes you feel groovy.
- Frosted Flakes, makes you feel gr-r-r-reat.
- Sears, has everything.
- Master Charge, is good for emergencies.
- All State, you're in good hands.

Good math teachers are like

- Mattel toys: you can tell they're swell.
- Dial soap: Aren't you glad you know them? Don't you wish everybody did.
- Alka Seltzer: try them, you'll like them.
- State Farm: is like a good neighbor, always near.
