

## "Logical" Thinking 1 Key

Pts: 25 each (1 point each)

- 1) 1:00 p.m.
- 2) none (no dirt is in the hole)
- 3) \$0.20
- 4) none (as tide comes up boat goes up)
- 5) 1 (one per yr.)
- 6) once – after that you are taking it away from 20
- 7) 2 minutes
- 8) Mt. Everest
- 9) none (all unlisted so none in the book)
- 10) all 12
- 11) white (north pole polar bear)
- 12) 1/2 way (then it is running *out* of the woods)
- 13) nickel and 1/2 dollar: "other" one is the nickel
- 14) 9 sheep
- 15) 60 minutes (a windup clock has no A.M. setting)
- 16) 2 apples
- 17) your age
- 18) 12 stamps
- 19) 3 people.
- 20) neither (can not date B.C.)
- 21) neither (yolk is yellow)
- 22) no direction (electric train so no smoke)
- 23) neither; both are the same
- 24) you
- 25) none; (antique clocks can't talk)
